JULY 1958

GOOD MORNING .....

For "booking" ... and shipping purposes ... we are at the threshold of our "next year". There are strong evidences that it will be a big bountiful Fall '58 and Spring '59 season. We are ready for it -- and ready to make it so.

This is a NEW listing. It makes good sense (and much cents) to pick through the pages -- item by item, and make your selections.

Quality is tops!

Prices are lower, by surprising amounts. Especially, take-a-look at our so-realistic pricing plan for Plantainer-grown evergreens. Check and compare all of our prices carefully. Plant for plant, load for load, you buy more advantageously at Hill's.

Plantainer-grown material is excellent -- in fact, it's terrific! To the "merchandising" nurseryman and Garden Center, Plantainer-grown provides the chance to make it an ALL season business; a grand opportunity to develop "package" conscious customers who will be pleased and satisfied. They'll like the take-home Plantainer Evergreen -- they'll like it's assured growth!

BABY EVERGREENS are brand new, and so cute. They're selling "off the shelf" -- just like cornflakes. Try them, and see for yourself! We can parcel post, or express -- anywhere.

We have no "unseen" additional boxing or packing charges at D. Hill Nursery Company. Consider such savings when you do business with us.

Note our special GET-MORE offers. They're good propositions -- every one of 'em.

TRY US .... for BETTER nursery stock.

Cordially,

D. HILL NURSERY COMPANY

**PLEASE NOTE:** This listing of plant material doubles in purpose, as it is likewise a convenient, ready-made order form to enable selection of your requirements. No need for any other "paperwork". Indicate shipment date desired etc., and use the PREPAID postage fold-over arrangement. All orders will be promptly acknowledged.

Orders are accepted with the understanding that D. Hill Nursery Company's TERMS OF SALE customarily published will apply. Prices are F.O.B. Dundee, unless stated otherwise.

OPEN ACCOUNT terms are 2% - 10 days, NET 30 days, to accounts with approved credit. C.O.D. orders should be accompanied by one-third interim payment. Requests for adjustments and other claims must be made within 20 days after receipt of goods. All orders are accepted on the condition that they shall be void should any injury befall nursery stock from causes or contingencies over which we have no control.

# PLANTAINER STOCK

Small-quantity orders for PLANTAINER-grown material (trial, get-acquainted shipments) may be transported in special designed cartons, in multiples of 6/1 gallon. Approximate shipping weight 45 lb. (Charge for this special carton . . . \$1.)

Minimum truckload . . . 1000/1 gallon Plantainers

Please note our NEW, progressive pricing on most Plantainer-grown items. This approach recognizes the circumstance that cultural care and other plant-growing expenses (in total) are cumulative (approximately 5¢ per month on 1-gallon sizes) with each passing month.

By pricing in relation to age and growth of the plant, we pass along to you every benefit of lowest pricing possible. And lower prices enable particularly advantageous, mass-selling of Plantainer – grown items. Right NOW, and through Fall, Plantainer-grown Evergreens are at peak appearance, and ideal for selling. **PLEASE NOTE THAT THE MONTH IN WHICH SHIPMENT IS ACTUALLY MADE DETERMINES THE PRICING TO APPLY.**

**PRICE IS DETERMINED BY MONTH IN WHICH SHIPMENT OCCURS:**
